COMING SPRING 2020

**HERCULES**® BY SOLIDEAL

## **HERCULES**® X-WALL SKS

Standard Skid Steer | Bias | Off-road

### FEATURES & BENEFITS

- All-around tire for high-use, predominantly dirty applications.
- Wide lugs, square shoulders and deep tread combine for optimum traction and long wear.
- Staggered step lugs and middle breaker provide superior mud clean-out.
- Reinforced sidewalls and rim protectors reduce downtime and damage.

## **HERCULES**® HAULER SKZ

Premium Skid Steer | Bias | On/Off-road

### FEATURES & BENEFITS

- Non-directional, heavy-duty tire delivers excellent mixed surface performance.
- Flat and wide shoulder-to-shoulder tread design provides exceptional traction and ground contact.
- Deep tread, reinforced sidewalls and rim protectors guard against punctures as well as side impacts.
- Optimized durability and wear on all surfaces.
- Dependable traction moving forward and in reverse.

## **HERCULES**® SUPER LUG ADV R4 BACKHOE

Standard Backhoe | Bias | On/Off-road

### FEATURES & BENEFITS

- Outstanding for road transportation and job site applications.
- Multi-angle tread lugs and spaded centerline minimize vibration, offering a smooth ride at transportation speeds.
- Staggered step lugs for optimal cleaning and improved traction.
