

HERCULES BY SOLIDEAL

Hercules by Solideal provides the solution for lower operating costs.

Hercules by Solideal tires are made to outlast the competition and perform reliably in the most demanding conditions.

- Longer life
- Less downtime
- Lower replacement costs

What makes Hercules by Solideal Tires heavy-duty:

- Wide sidewall
- Robust carcass
- Reinforced undertread
- Deep tread
- Rim guard
- Optimized lug-to-void ratio

Rugged and Tough

- Made with tough, anti-abrasion, tear-resistant rubber compound to minimize heat-generation and provide ultimate durability
- Heavy-duty tires last longer and cost less in the long run.

Built by Camso:

- Among **top 3** leaders for construction compact tire segment (<25")
- **Best in class** manufacturing with 13 factories and more than 2600 products
- **#1** choice of OEM partners

HERCULES TIRES
BY SOLIDEAL

HERCULES BY SOLIDEAL

SKID STEERS

Gripper Skid Steer

- Value Cost
 - Two piles heavier than most value offerings.
- Chunk-and tear-resistant compounding
 - for best-in-class durability.

X-Wall SKS Skid Steer

- Xtra wall
 - Reinforces sidewall protection
- Stepped tread design
 - Provides good traction and self-cleaning
- Extra wide lug
 - Increases stability in a variety of conditions

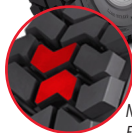

Hauler SKZ Skid Steer

- On-Road/Off-Road
- Non-Directional Extra-Deep Tread
 - Provides efficiency both on and off the road
 - Ideal for users who divide their time between hard and soft terrain
- Low Vibration
- Long life (+20% vs general use tire)

XD44 Skid Steer

- Massively deep tread
 - Provides optimal traction
- Overbuilt carcass, super-wide wall, exclusive compound
 - Provides good traction and self-cleaning
- Hard Surface solution

Non-Directional Extra-Deep Tread

LIFE	XD44 Skid Steer	Hauler SKZ Skid Steer	X-Wall SKS Skid Steer
		200%	300%
		100%	

BACKHOES

Super Lug R4 Backhoe

- Extra heavy casing and extra deep tread
 - Provides increased durability and extended service life

IMPACT TEST	ENERGY AT BREAK
Super Lug R4 Backhoe	664 ft-lb
Competitor 1	590 ft-lb
Competitor 2	424 ft-lb
Competitor 3	313 ft-lb

Super Lug Adv R4 Backhoe

- On-Road/Off-Road
- Directional extra deep tread
 - Offers the best balance of traction and durability on and off the road.
- Unique tread design
 - Provides a significantly smoother ride with minimized vibration levels in on-road applications.

WHEEL LOADER/GRADER/TELEHANDLER

L3 Loader

- On-Road/Off-Road
- Non-directional tread pattern
 - Optimizes balance both on and off the road for traction and stability
- Stepped tread design
 - Provides good traction and self-cleaning

G3/L3 Telehandler

- On-Road/Off-Road
- Non-directional tread pattern
 - Optimizes balance both on and off the road for traction and stability
- Stepped tread design
 - Provides good traction and self-cleaning

L2 Loader

- On-Road/Off-Road
- Extra deep tread
 - Offers better flotation in soft, loose soil
 - Provides very good self-cleaning

Stepped Reinforced Lug
◦ Improves traction and steering performance

G2/L2 Telehandler

- Superior responsive sidewall
 - Increases driving comfort on and off the road
- Aggressive tread pattern
 - Provides very good traction and self-cleaning
- Optimal traction
- Self-cleaning

Hercules by Solideal Performance Promise

- Every Hercules by Solideal tire is made from premium materials and tested using the most advanced technologies.
- Hercules by Solideal tires Deliver:
 - Optimal performance
 - Superior durability and reliability
 - Low heat generation
 - Reduced downtime

60-MONTH

These Hercules tires have a Limited Protection Policy against defects in workmanship or material for 60 months from the date of the purchase.
