

H-803

REGIONAL | OPEN SHOULDER | DRIVE

- Open shoulder drive axle tire.
- Large aggressive lugs for traction under all conditions.
- Siped for better water traction.
- Built for long mileage.

H-804 EcoFT

LONG HAUL | STEER

- Newest-generation premium long haul tire for steer position.
- Five-rib design promotes even wear in long-haul applications.
- Enhanced shoulder rib design with decoupling grooves minimizes the initiation and spread of irregular wear.
- Innovative groove technology maximizes tear resistance while ejectors minimize stone retention.
- Low rolling resistance tread compound offers optimum fuel efficiency and significant removal mileage.

H-933

WINTER SERVICE | DRIVE

- Specialized drive tire designed for enhanced acceleration and braking capability in winter conditions.
- Formulated with unique tread compound that stays pliable in the coldest temperatures.
- Deep tread (27/32nds) and extra-wide footprint delivers long original tread life and stability.
- Unique siping provides interlocking capability for enhanced tread block rigidity and maximizes biting edges for exceptional traction on snow and other surfaces.
- Heavy-duty all-steel casing for excellent retreadability.

PROTECTION PLAN DETAILS*

LIMITED MONTH

These Hercules Strong Guard tires have a Limited Protection Policy against defects in workmanship or material for the specified number of months from the date of purchase.

WORKMANSHIP & MATERIALS

If this tire becomes unserviceable due to a flaw in workmanship or materials, we will replace it at no charge during the first 50% of tread life.

CASING ALLOWANCE & RETREADS

Tires carry a casing allowance for the specified number of retreads.

*See complete Limited Protection Policy on our website for details and exclusions at: www.HerculesTiresCommercial.com

Unlike most replacement tire suppliers, **Hercules Tires®** sells through a network of independent dealers across North America, each trained and empowered to keep you connected to our ongoing support.

STRONG GUARD® H-MW

MIXED SERVICE | WIDE BASE | ALL-POSITION

- CUT AND CHIP RESISTANT COMPOUND- Designed specifically to withstand the abuse brought by the rough terrain of mixed service applications.
- STONE EJECTORS - In all three grooves to protect the belts and casing from road hazards in mixed service applications.
- CURB PROTECTOR - Protects the sidewall from damage in high-scrub, short-haul applications.
- PROPRIETARY TREAD DESIGN - Large siped tread blocks provide improved handling and enhanced traction while a solid shoulder reduces block squirm to fight irregular wear.

STRONG GUARD® H-TL EcoFT

PREMIUM | LONG HAUL | TRAILER

- Modern five rib pattern with a solid wide outer rib for long mileage, and even wear.
- Deeper 14/32-inch tread depth to help promote long tread life.
- Multi stepped shoulder sipes help alleviate irregular wear.
- Stone ejectors help protect the belt package and casing from damage.
- Low-rolling-resistance tread compound for optimized fuel consumption.

H-307

MIXED SERVICE | ON/OFF ROAD | DEEP DRIVE

- Extra-deep tread for long original tread life.
- Aggressive tread design for a powerful grip in mixed service applications.
- Severe application compound for resistance to cuts, chips, tearing and irregular wear.
- Outstanding braking and stability for mixed service, severe applications.

STRONG GUARD® H-RD

PREMIUM | REGIONAL | DEEP ALL-POSITION

- A wide solid shoulder design promotes even wear and lateral stability.
- Stone ejection rib prevents stone drilling, helping to preserve the casing for retreading.
- Micro sipes on circumferential groove edges heighten wet traction and improve even wear.
- A zig-zag lateral siping provides excellent wet grip and enhances even wear.

H-301

MIXED SERVICE | ON/OFF ROAD

- Tread compound resists chipping and lacerations in severe conditions.
- Premium all-position tire for steer, trailer and mixed service applications.
- Center groove designed with stone ejectors for improved resistance to stone trapping.
- Heavy-duty all-steel casing for excellent readability.

H-702 EcoFT

CLOSED SHOULDER | DRIVE

- Premium closed shoulder design delivers enhanced durability.
- Solid shoulder provides superior stability and resistance to irregular wear.
- Rib sipes increase traction on wet surfaces.

STRONG GUARD® H-RA

PREMIUM | REGIONAL | ALL-POSITION

- A wide solid shoulder design promotes even wear and enhanced lateral stability.
- Zig-zag groove design provides outstanding handling for all-position application.
- Multi-point edged grooves deliver better dry and wet traction.
- Wavy lateral sipes provide excellent wet grip and promote even wear.

H-302

MIXED SERVICE | ON/OFF ROAD | DEEP DRIVE

- Deep tread for long life and excellent traction.
- Chip and cut resistant compound.
- Heavy-duty, all-steel casing for excellent retreadability.

H-703 EcoFT

OPEN SHOULDER | DRIVE

- Deep tread for excellent mileage.
- Aggressive tread design to withstand irregular wear.
- Open shoulder design and tough, siped blocks enhance traction under all weather conditions.
- Heavy-duty, all-steel casing for excellent retreadability.
