

# HERCULES

PERFORMANCE PROMISE<sup>1</sup>

Covers replacements up to 60,000 mi/100,000 km.

Provides free replacement up to two years or the first 50% tread life.

Not satisfied with our ride? We'll provide an exchange for a comparable set of Hercules Tires.

If tires become unserviceable, we'll replace them at no charge during the first 50% of tread life.

These tires meet specific requirements for providing traction in harsh conditions.

From the average day to an anything-but-average getaway, the **Terra Trac® AT X-Journey's** versatility gives CUV and small SUV drivers a capable all-terrain pattern, infused with a comfortable, quiet ride for the daily commute, a dual buttress design for versatility and aggressive sidewall elements for curb appeal.

# TERRA TRAC® AT X-JOURNEY | X-VENTURE

PREMIUM ALL-TERRAIN | ALL-SEASON CROSSOVER | SUV | LIGHT TRUCK | (P)METRIC

## Key Features

**Sound Block Technology** - Designed to harmonize the tread lugs and create a sound barrier for a quiet comfortable ride

**Tusk Grooves** - Keep the tread clear of mud, dirt and stones for all-terrain traction.

**3 Peak Mountain Snowflake Certified** - Meets performance criteria to be considered severe snow service rated

## DUAL BUTTRESS. UNIQUE CUSTOMIZATION.

*Variable sidewall designs give customers the ultimate in tire and choice.*

Purpose built for the bold and brave, the **Terra Trac® AT X-Venture's** ferocious design and exceptional treadwear give light duty pickup trucks and utilitarian style SUV's the power to dominate off-road action, harsh winter weather and every ride in between.

### TERRA TRAC® AT X-JOURNEY

**All-terrain, all-season, all their own.**

The Terra Trac AT X-Journey's hard-hitting look accompanies versatile performance. Two unique sidewall designs provide a cost effective way to match the tire to their personality—wherever they go.

### TERRA TRAC® AT X-VENTURE

**Choose Your Character**

Only the Terra Trac AT X-Venture has the looks to match its bold and brazen off-road prowess. Alternating sidewall configurations let drivers choose from two distinct looks.
