HERCULES TIRES

Ride on our strength.

REDEFINING VALUE SINCE 1952.

FOR OVER 70 YEARS, Hercules Tires® has been quietly redefining value in the replacement tire industry. We do so by continually giving our customers the performance they demand, the choices they desire and the affordability they deserve. And we deliver it all with a unique combination of cutting-edge expertise and old-fashioned integrity. The result is a better, smarter, more convenient tire buying experience for today's car, light truck and SUV drivers.

PROTECTION

When you take Hercules Tires along for the ride, you can drive confidently, knowing that you have the power of our industry-leading protection plan riding shotgun.

SELECTION

With our wide selection, Hercules Tires has just the tire you're looking for—no matter what you drive, or where you drive it.

CONNECTION

Unlike most replacement tire suppliers, we sell our tires through a network of independent dealers across North America, each trained and empowered to keep you connected to our ongoing support.

HERCULES PERFORMANCE PROMISE

MILEAGE COVERAGE PLAN

We back many of our Hercules brand passenger and light truck tires with our Hercules Mileage Coverage Plan—up to an incredible 85,000 miles.

ROAD HAZARD PROTECTION

We'll replace your damaged tires for **free** within the first **24 months** or **50% of treadlife**.

"TRUST OUR RIDE" 45 DAY TRIAL

If you're not happy with your purchase, we'll replace your tires within the first **45 days** with a comparable set of Hercules Tires.

WORKMANSHIP & MATERIALS

If your tires become unserviceable within the first **50% of treadlife** due to manufacturing defects, we'll replace them for free.

RAPTIS® R-T5

PREMIUM UHP | ALL-SEASON

- CoolCourse™ temperature control system to optimize performance and enhance tire life.
- 3D UltraWave™ siping and an asymmetric tread design for greater control and tighter handling.
- High-grade silica tread compound and Hercules EvacuTrack™ grooves for better wet traction.
- 500 AA A UTQG – the highest traction grading possible.
- Wide footprint increases contact with the road surface for better control and maximum grip.

H/P 4000

COSMETIC PERFORMANCE | ALL-SEASON

- Performance-enhanced tread design for cutting-edge traction in all conditions.
- Raised white lettering adds a classic touch of personality and style.
- Large multi-siped tread blocks taper into a rounded shoulder.
- Wide solid center rib delivers high-speed stability and ensures constant rubber-to-road contact.

GRAND TOURING | ALL-SEASON

- Semi-solid center rib promotes crisp handling and driver comfort while maintaining traction and water evacuation.
- Solid shoulder with offset grooves promotes greater stability and reduced road surface noise.
- Asymmetric tread pattern strengthens stability and dry traction.
- 3D and full depth sipes combine to offer improved traction and lasting performance.

USA PROUDLY MADE IN THE USA.

ROADTOUR® 655 MRE

PREMIUM TOURING | ALL-SEASON

- Four-pitch sequence allows more lateral grooves, improving traction without increasing noise.
- Thin-gauge siping enhances traction and stability without sacrificing flexibility.
- Zig-zag siping creates more biting edges and reduces lateral movement for improved handling.
- Advanced profile design optimizes surface contact for maximum traction and tread life.

AVALANCHE® RT

PREMIUM PASSENGER | STUDDABLE WINTER 

- Exclusive Snow Grip Technology integrated features equip the Avalanche RT with serious cold-weather capabilities.
- A triple polymer, cold weather compound enhances overall traction, steering and handling in harsh winter weather.
- Thin-gauge sipes provide increased flexibility and biting edges for superior control.
- Saw-tooth shaped Snow-Grabber Grooves grab and hold snow in the tread to provide snow-on-snow traction.

AVALANCHE® XUV

PREMIUM SUV | STUDDABLE WINTER 

- Snow Grip Technology provides an array of cutting-edge features to help you accelerate faster and stop shorter when it matters most.
- Snow Grabber Grooves, are specifically designed to trap and hold snow.
- Thin-gauge sipes provide more contact with the road, giving you much needed confidence and greater grip in slippery situations.
